We are the reckoned exporter, wholesaler, and trader of a quality approved assortment of Pharmaceutical Products. These products are highly admired for long shelf life and high effectiveness.

About Us

We, Altus Lifecare Private Limited from 2015 are famous amongst the esteemed exporter, wholesaler and trader of an exceptional quality assortment of the Pharmaceutical Products. Offered products range consists of Eye Drops, Anti-Cancer Medicine, and Pharmaceutical Injection. The range manufactured by our vendors is prepared using the latest technology under the supervision of quality controllers. In addition to this, to ensure that our clients get the best quality pharmaceutical products, these are thoroughly checked on several quality parameters to ensure their safe packaging, freshness, and long shelf life.

We are famous to serve the market with high-quality pharmaceutical products and for this, we have an association with the famous vendor of this domain. They customize medicines with the best available resources. Adding to this, owing to the production capacity, affordable prices, timely delivery, strict adherence to quality norms, and quality approved medicines range, we can fulfill the bulk requirements.

Under the competent headship of our mentor, “Mr. Zameer Sayed” we have carved out a unique niche for our company in the market. He inspires the team to channelize all the efforts for ensuring optimum client satisfaction.
